MATERIALS ON THE INTERNATIONAL PROTECTION OF HUMAN RIGHTS

1984 Edition

Supplement: SELECTED DOCUMENTS

Compiled by

G.L. Morris and J.H. Lyon

Note - This compilation contains some of the important international human rights documents, but it should not be regarded as comprehensive. More extensive collections are re-produced in I. Brownlie, ed., Basic Documents on Human Rights (2d ed., 1981) and J. Joyce, Human Rights: International Documents (3 vols, 1978). Both works are on reserve in the Library. See, also: Human Rights: A compilation of International Instruments (United Nations, 1978).

(These materials have been compiled and distributed solely for the internal academic use of students in the International Protection of Human Rights seminar at the Faculty of Law, University of Toronto. Khaled El Shalakany assisted the research necessary to the preparation of this edition).
